Super Science Fair Sourcebook Maxine Iritz

In this section of the best of her bestselling science fair books--with the added bonus of many new, cutting-edge projects--acclaimed author Maxine Iritz produces the superbook for students, parents, and teachers preparing for science fair competitions. Dozens of projects, with prize-winning tips from concept to presentation, make this book the ideal resource for science fair entries in grades six through nine. A rich compendium of both Iritz's books and her years of experience with science fairs, this indispensable sourcebook also features an accessible discussion of the use of computers and the Information Superhighway for student research.
