From the New York Times and USA Today bestselling author, Marquita Valentine, comes the Brides of Holland Springs, a sweetly sexy series set in the town that readers have come to love.

It's not easy being the woman most likely to be married to a fortune hunter, but Kate Von Lichtenstein has a plan to deter even the most determined gold digger. She'll take a page right out of her favorite historical romance novel—with her own unique spin—and marry a man of her choosing before the public gets wind of how much money she actually inherited from her grandparents. And who fits the bill better than the sexy and charming American businessman, Noah Sawyer?

After selling his share of the successful tech company, Noah Sawyer lost everything when an unscrupulous real estate lawyer stole the money he intended to use to purchase a huge swath of land worth millions. So, when a chance meeting with a hot brunette at a friend's wedding turns into a mutually beneficial business arrangement, Noah jumps at the chance to salvage his business.

However, the sexy land developer has no intention of his marriage to Kate being in name only...
