**Accountants' Handbook, Financial Accounting and General Topics, Vol. 1 (Volume 1)** D. R. Carmichael, Paul Rosenfield

The premier accounting reference, revised and expanded "The Accountants' Handbook" series has the longest tradition of any reference, of providing comprehensive coverage of the field to both accounting professionals and professionals in other fields who need or desire quick, understandable, and thorough exposure to complex accounting-related subjects. Like its predecessors, the Tenth Edition is designed as a single reference source that provides answers to all reasonable questions on accounting and financial reporting asked by accountants, auditors, bankers, lawyers, financial analysts, and other preparers and users of accounting information. Written by nationally recognized accounting professionals, including partners in major public accounting firms, financial executives, financial analysts, and other relevant business professionals, the "Handbook" covers both financial accounting and reporting, and industry specific accounting issues in separate volumes for easy reference. Its comprehensive content provides analysis on over 43 critical areas of accounting.
