*The most student-friendly, contextual, and inclusive survey is now personalized, digital, and mobile for today's students.*

*Art History 5<sup>th</sup> edition* continues to balance formal analysis with contextual art history in order to engage a diverse student audience. Authors Marilyn Stokstad and Michael Cothren—both scholars as well as teachers—share a common vision that survey courses should be filled with as much enjoyment as learning, and that they should foster an enthusiastic, as well as an educated, public for the visual arts.

This revision is the strongest and most comprehensive learning program for measuring student progress and improving student success in attaining the outcomes and goals of the art history survey course.
