## Classroom Calypso: Giving Voice to the Voiceless (Counterpoints, Studies in the Postmodern Theory of Education) Winthrop R. Holder

What happens when teachers «relinquish the authority of truth providers»? Ninth grader Sasha Pringle, one of the student voices in *Classroom Calypso*, asserts that such a self-effacing posture empowers students by «releasing the writer within,» thereby fostering a critical, creative, and reflective disposition. Winthrop R. Holder re-represents students not as marginalized beings merely absorbing information but as subjects taking center stage and inscribing themselves into history. On their literary pilgrimage seeking self-knowledge, students, employing tale-telling, recast their classroom as a symposium - a place where popular culture orchestrates the discourse. This is an invaluable book for educators, parents, and anyone interested in understanding and facilitating the voices of urban youth.
