## **D-Day (Turning Points in History)** Martin Gilbert

The Allied landings in 1944 had all the prospects for disaster. Churchill thought he would be woken up to be told of massive casualties. Eisenhower prepared a somber broadcast announcing that the enterprise had failed.

The specter of failure was always present. After a failed landing the Nazi regime would have regained the ascendant. New, terrifying bombs and rockets were ready to be launched. Long-distance submarines were in the final stage of development. The last million Jews of Europe were listed for deportation and death.

Failure at Normandy could have given Hitler the chance of continuing to rule western Europe, particularly if the United States, bloodied and defeated in Normandy, had decided-after two and a half years of focusing on Europe-to turn all its energies to the ever-growing demands of the Pacific, leaving Europe to its own devices. Had that happened, I doubt if I would have been alive to write this book, or free to express my opinions without fear of arrest.

### From reader reviews:

#### **Fredrick Alfred:**

What do you think about book? It is just for students because they're still students or it for all people in the world, the actual best subject for that? Simply you can be answered for that problem above. Every person has diverse personality and hobby for every single other. Don't to be forced someone or something that they don't would like do that. You must know how great in addition to important the book D-Day (Turning Points in History). All type of book could you see on many options. You can look for the internet resources or other social media.

#### **Michael Beebe:**

What do you with regards to book? It is not important with you? Or just adding material when you want something to explain what the ones you have problem? How about your time? Or are you busy person? If you don't have spare time to complete others business, it is make you feel bored faster. And you have extra time? What did you do? Every person has many questions above. The doctor has to answer that question since just their can do that. It said that about publication. Book is familiar in each person. Yes, it is right. Because start from on kindergarten until university need that D-Day (Turning Points in History) to read.

#### **Tanya McGaha:**

The reason why? Because this D-Day (Turning Points in History) is an unordinary book that the inside of the book waiting for you to snap this but latter it will zap you with the secret this inside. Reading this book next to it was fantastic author who write the book in such remarkable way makes the content inside easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of rewards than the other book get such as help improving your talent and your critical thinking way. So , still want to hold up having that book? If I have been you I will go to the e-book store hurriedly.

#### **Beverly Woods:**

Within this era which is the greater man or woman or who has ability to do something more are more important than other. Do you want to become certainly one of it? It is just simple strategy to have that. What you must do is just spending your time very little but quite enough to have a look at some books. One of several books in the top checklist in your reading list is usually D-Day (Turning Points in History). This book and that is qualified as The Hungry Hills can get you closer in turning into precious person. By looking up and review this guide you can get many advantages.
