Entering the Castle: Finding the Inner Path to God and Your Soul's Purpose Caroline Myss

Internationally renowned motivational teacher and popular theologian Caroline Myss has created a transcendent work of unique insight and revelation in *Entering the Castle*. A highly original inner path to self-knowledge, the Castle is also the road to spiritual knowledge of God and your own soul. In fact the soul is your spiritual castle and doing interior soul work helps you find your path in the world.

Teresa of Ávila's vision of the soul as a beautiful crystal castle with many mansions, and many rooms within those mansions, is the template for this modern spiritual journey on which you meet different aspects of your self and spirit and prepare for the ultimate encounter with God and your own divinity. Seven stages of intense practices and methods of spiritual inquiry develop your personal powers of prayer, contemplation, and intuition, which in turn reinforce your interior castle and build a soul of strength and stamina. With stories and inspiration from mystics of all traditions, *Entering the Castle* is a comprehensive guide for the journey of your life -- a journey into the center of your soul. There, peace, God, and a fearless joy wait for you to discover them...and claim them for your own.
