KEEP CALM AND...HAVE A BABY?

Leif Andersen wants to be alone. Everyone in Heartlandia knows about his tragic past and they allow him to keep to himself. With his blue eyes and blond hair, the rugged workaholic contractor might be an "excellent catch." But he has zero interest in being caught...until Marta Hoyas moves into his house while she is working for him.

Marta wants to be alone. Her baby's father dumped her. The last thing she needs is a romantic entanglement with a gorgeous guy who can offer no promises.

Leif and Marta want each other. All that stands between them is the past...and the future. And a little baby who could give them both what they need most!
