Star Girl Henry Winterfeld

"Science fiction and space travel take a sprightly turn," declared *Kirkus Reviews* of this illustrated tale of a girl who tumbles to Earth from her father's spaceship. The young alien encounters a group of children eager to help her find her way home, but the kids will have to defy the unbelieving grown-ups.

Years ahead of its time, *Star Girl* was originally published in the 1950s, when interest in space travel and extraterrestrials was approaching new levels. Since then, the book has become a beloved cult classic. This new edition offers the next generation of young readers an ideal introduction to the imaginative delights of science fiction.
