Stone Cold Touch (The Dark Elements) Jennifer L. Armentrout

#1 New York Times bestselling author Jennifer L. Armentrout draws readers into the extraordinary, irresistible world of Wardens and demons in the second book of The Dark Elements series.

Every touch has its price

Layla Shaw is trying to pick up the pieces of her shattered life—no easy task for a seventeen-year-old who's pretty sure things can't get worse. Her impossibly gorgeous best friend, Zayne, is forever off-limits thanks to the mysterious powers of her soul-stealing kiss. The Warden clan that has always protected her is suddenly keeping dangerous secrets. And she can barely think about Roth, the wickedly hot demon prince who understood her in ways no one else could.

But sometimes rock bottom is only the beginning. Because suddenly Layla's powers begin to evolve, and she's offered a tantalizing taste of what has always been forbidden. Then, when she least expects it, Roth returns, bringing news that could change her world forever. She's finally getting what she always wanted, but with hell literally breaking loose and the body count adding up, the price may be higher than Layla is willing to pay....

Ida Green:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's heart or real their interest. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Stone Cold Touch (The Dark Elements) can make you truly feel more interested to read.
