The Last Chance Millionaire: It's Not Too Late to Become Wealthy Douglas R. Andrew

According to Doug Andrew, the bestselling author of *Missed Fortune 101*, too many Americans are being led down the wrong financial path. Even worse, many Baby Boomers find themselves panicking --fearful that they've already fallen too far behind to ever catch up. In this indispensable and eye-opening guide, Andrew provides fresh new pathways to reaching financial security -- pathways that all Americans need to consider now.

Centering on his Three Miracles of Wealth Accumulation: the Miracle of Compound Interest, the Miracle of Tax-Favored Accumulation, and the Miracle of Positive, Safe Leverage, Andrew explodes many of the commonly-held myths about 401ks, pensions, paying down one's mortgage, and other forms of retirement planning. Along the way, Andrew offers unique strategies that will not only increase your wealth, but also help readers enjoy their best years while securing their future.
