The Masonic Genesis: The Secret Destiny of United States Le-anne Henderson Jolakian

Ancient Mysteries (explained in the book) were known to prophets of Old Testament, and to past and present - monarchs, emperors, popes, caliphs, sultans and Israelites. Their God was Yahweh, which was different from True Creator God that Greek philosopher Pythagoras and his followers worshiped. In Genesis 49, 9-17 Yahweh gives the "hidden Key" to all past and present conspiracies: it speaks about Jacob, the descendant of Abraham and Isaac (the descendants of Noah). For Illuminati, Freemasons and Rosicrucians, Jacob (aka Israel) is the father of all modern nations that are listed at United Nations. It says Jacob, on his deathbed assigned his son Judah, his fourth (from Leah), who received his blessings and birthright – the symbol of Lion; then Jacob assigns his youngest son Dan the symbol of Serpent. We know from the Gospel of Matthew (26:47–50) Judas kissed Jesus, which meant he back-stabbed Jesus and betrayed him to Sanhedrin; Lions and Eagles are the kings on the ground and in skies. Manly Hall says Lions sleep with eyes open at night, and Eagles watch from sky what happens here on Earth. The Illuminati-Masonic conspiracies behind all these is that monarchies that have adopted the symbol of Lion as their emblem, are kissing and assigning the rulers of the countries that have Serpent as emblem, and then, like Judas, back-stabbing them after their jobs are finished. In exchange the kissed Serpent rulers sacrificed their population during world wars, major terrorist attacks, and high profile assassinations, so as with the Lions they could continue to rule until their time was up. 18th century European Illuminati doctrine, established by Adam Weishaupt, says that in order for humanity to survive, it should function the same way that animal kingdom functions, or Universe's Big Bang and Big Crunch theory is, or Charles Darwin's "survival of the fittest" theory is, explained in his book THE ORIGIN of SPECIES. We are now in the 7th millennium of Ussher chronology; in this millennium a large catastrophe will happen (or already did – 9/11; or the catastrophe started around the turn of 20th century when Illuminati Globalists created Republic of Turkey, then Israel, then UN, and then carried out 9/11); the current population will be brought down to Yahweh's number. During the next "Great Year" explained in Theosophist Helena Blavatsky's, Albert Pike's, and Manly Hall's books, another 7-millennium cycle will be initiated and the same things that are happening now will repeat. These cycles will continue throughout Great Ages until the Ancient Mysteries come to fruition. 7 millennium cycles happen through smaller cycles of 7s. To find out when the smaller cycles start and end, a "Key" is needed. The monarchs of the world and their globalist agents decide the "Key". An example from US history: On the reverse side of US one-dollar bill the Roman numerals MDCCLXXVI stand for "1776"; King George III and his secret agents in his North American colonies decided the "key", which is, "1776" is made up of numbers 1, 7, 16, and 7. The secrets behind these numbers (the "key") is that 1 is the Monad; that is under the 1st president – the Logos, the Word, the US Constitution would be adopted (Washington, on one-dollar bill); under 7th president the US would go through territorial expansion (Jackson, on twenty-dollar bill); under 16th president (1+6=7) civil war would happen (Lincoln, on five-dollar bill); and under 43rd president (4+3=7) massive terrorist attacks would happen (9/11). What will happen next after 43rd president is again written on the reverse side of \$1 bill. Under the pyramid it is written "Novus Ordo Seclorum" – "New World Order." Per Illuminati-Masonic authors 'New World Order' is about construction of Solomon's Temple; and the Solomon's Temple, according to these Masonic authors, is the whole world. Turkey and Israel
