Ernesto Che Guevara

Che: The Diaries of Ernesto Che Guevara Ernesto Che Guevara

The book of the new, two-part epic movie on Che Guevara starring Benicio Del Toro as the legendary revolutionary.

Director Steven Soderbergh has based his two-part movie "Che" (*Part 1: The Argentine* and *Part 2: Guerrilla*) on two classic diaries written by Che Guevara: *Reminiscences of the Cuban Revolutionary War* (an account of the guerrilla movement led by Fidel Castro that overthrew the Batista dictatorship in 1959) and *Bolivian Diary* (Che's famous, unfinished diary discovered in his backpack when he was captured and killed in Bolivia in October 1967).

Che includes a selection from each book, showing the young Argentine's evolution from the wide-eyed medical student of the *Motorcycle Diaries*-era to the revolutionary hero the world knows as Che.

Features:

- Key excerpts from Che's *Reminiscences of the Cuban Revolutionary War*, his final *Bolivian Diary*, and his fiery address to the UN General Assembly, New York in December 1964.
- Che's first encounter with Fidel Castro in Mexico, when he immediately commits himself to join the guerrilla expedition to Cuba.
- The dramatic moment when Che has to decide his future either as a doctor or a guerrilla fighter, symbolized by the choice of two backpacks: one with medicine, the other with ammunition.
- Che's poetic letter to his parents before he sets out on the fateful Bolivia mission.
- Maps, chronology, and a useful glossary.
- 24 pages of original photos from the period
- Movie tie-in cover.
- Blurbs by Benicio del Toro and Steven Soderbergh.

Also published in Spanish this season is *Che: Los Diarios de Ernesto Che Guevara*, 978-1-921235-48-1.
