Ethics in School Librarianship: A Reader (Managing the 21st Century Library Media Center)

Ethics in School Librarianship: A Reader (Managing the 21st Century Library Media Center)

A must-read that discusses how ethics and principles impact the personal and professional lives of librarians and media specialists. Essays written by respected peers discuss several areas where ethical issues occur, such as use of information and intellectual property, professional relationships, media center management policies, and the distribution of technology. This engaging book spells out all the sides and lets you see where you stand on the hot-button ethical issues of librarianship.

- Thought-provoking discussion questions
- Theoretical insight into real-life issues
