David R. Colburn

**From Yellow Dog Democrats to Red State Republicans: Florida and Its Politics since 1940** David R. Colburn

“A masterful study of Florida politics.”—Gary R. Mormino, author of *Land of Sunshine, State of Dreams*

“In this sweeping overview of modern Florida politics, Colburn challenges the country’s preconceived notions of the Sunshine State’s political leanings. [It] is the result of a lifetime of observing and analyzing a once small and rural state that has transformed itself, in less than fifty years, into a political powerhouse and national weathervane.”—Governor Reubin O’D. Askew

“A solid piece of scholarship and a comprehensive survey of state politics over the past sixty-five years deserving of a place on the bookshelf of any thoughtful Floridian, or non-Floridian, concerned about the past, present and future of the state.”—*Florida Historical Quarterly*

“Places Florida’s gubernatorial politics since 1940 in the context of the state’s remarkable cultural, economic, and demographic transformation. Recommended.”—*Choice*

“Concise, insightful, and readable.”—*St. Petersburg Times*

“An insightful analysis of how the Democrats lost—and the GOP gained—the most important swing state in the nation.”—Cynthia Barnett, author of *Mirage*
