Only Kayak: A Journey Into The Heart Of Alaska

Kim Heacox

Only Kayak: A Journey Into The Heart Of Alaska Kim Heacox

In this coming-of-middle-age memoir, Kim Heacox, writing in the tradition of Abbey, McPhee, and Thoreau, discovers an Alaska reborn from beneath a massive glacier, where flowers emerge from boulders, moose swim fjords, and bears cross crevasses with Homeric resolve. In such a place Heacox finds that people are reborn too, and their lives begin anew with incredible journeys, epiphanies, and successes. All in an America free of crass commercialism and overdevelopment.

Braided through the larger story are tales of gold prospectors and the cabin they built sixty years ago; John Muir and his intrepid terrier, Stickeen; and a dynamic geology professor who teaches earth science "as if every day were a geological epoch."

Nearly two million people come to Alaska every summer, some on large cruise ships, some in single kayaks--all in search of the last great wilderness, the Africa of America. It is exactly the America Heacox finds in this story of paradox, love, and loss.
