If you've ever flown before you know how much fun it can be, and how much faster it is than driving. But have you really looked at how much your plane fare cost you and what else you could do with that money? Well we have and we can tell you that your plane fare is costing you entirely too much. It's time you started spending much less on the flight and more when you get where you're going.

In this book we'll talk about some of the best ways that you can save a lot of money on your plane tickets and even several ways that you can get those tickets absolutely free. The good news? It's not as difficult to do as you might think. It's just time to reorganize and start doing things a little bit differently in your life so that your next trip on a plane isn't going to cost you a dime.
