Isla and her stepbrother, Johnny, have been inseparable since the day they met over twenty years ago. Best friends until the end, there's nothing either of them wouldn't do for each other.

When Johnny announces his engagement to Martha, a girl from a rich family, Isla has a hard time keeping her opinions to herself. Martha is all wrong for Johnny. Everyone around them is ecstatic for the union, but Isla knows better. She's the only one willing to tell Johnny the truth, even if it means damaging their friendship forever.

But Martha is pregnant and Johnny can't bring himself to abandon his child.

A moment of weakness brings Isla and Johnny together for a night of passion. They decide it was a mistake — a one time thing — that will never happen again.

But as Isla's belly begins to swell, Johnny finds himself torn between the two most important women in his life. Should he leave Martha at the altar and destroy two families in the process? Or should he go through with the wedding and abandon Isla, the girl he really wanted all along?
