Passion and fads may fade — but tattoos are forever. This quirky collection assembles an array of body art. From tributes of faded romance and quirky phrases, to design trends that were daring in our youth, tattoos can easily become a reminder of juvenile rashness. What seemed kinky and bold, can easily become pitiful mistakes the morning after. This comical book of body art shows how the tint can become tainted, and the spur of the moment, a whim to regret. The message: spend longer considering and less time regretting. A t-shirt you can change, a tattoo on your torso (or other unmentionable parts) not so easy!
