Life and Death: A Medium's Messages to Help You Overcome Grief and Find Closure Tim Braun

Life and Death offers a contemporary look into the life of international medium Tim Braun who bridges this world and the Spirit world, connecting those who have passed over with those they left behind.

Tim Braun teaches readers about the power of unconditional love and provides a step-by-step process on how to heal ourselves from grief, forgive ourselves and find closure.

Life and Death will take you on a journey, sharing stories of others who have been tormented by the loss of loved ones, broken relationships, and empty last moments. You will see how they found the answers to their questions and how they were able to recover. You will also learn from Tim how searching for these answers, as well as his own personal journey as a medium, has helped countless people escape the torment of their minds.

The amazing part about it all is that the months or perhaps even years of grief and emotion can all be solved in a split second. Sometimes we have to take a “leap of faith”. And exactly what does that mean? Leap means “to jump” to “accept eagerly something offered”. And faith means “complete trust and confidence in something we can’t see”. It’s something we can’t really explain. But somehow, it exists because people have found joy again in their lives by getting the answers they were looking for.
