He.

Lander Michael Kennard.

The man who I always loved. The man who I *will* always love. The man who I tried to seduce by allowing him to leave me with the one thing that would have knitted our lives together forever.

My stepbrother.

And now he was about to marry another woman.

Should I just walk away to let him enjoy the happiness he chose for himself? Or should I fight for the love I know we have for each other?

Should I wish him the best for the vows he was about to make and the family he was about to start?

Or should I continue to believe that love conquers all... and do something drastic to ensure that he will be mine once again?
