The Marketing Plan Handbook, 4th Edition Alexander Chernev

The Marketing Plan Handbook can benefit managers in all types of organizations. For startups and companies considering bringing new products to the market, this book outlines a process for developing a marketing plan to launch a new offering. For established companies with existing portfolios of products, this book presents a structured approach to developing an action plan to manage their offerings and product lines. Whether you manage a small business seeking to formalize the planning process, a startup seeking venture-capital financing, a fast-growth company considering an initial public offering, or a large multinational corporation, you can gain competitive advantage by translating the marketing planning process outlined in this book into a streamlined strategic document that informs your decisions and helps avoid costly missteps.
