Dinâmicas Afro-Latinas: Língua(s) e História(s) (Portuguese Edition)

Dinâmicas Afro-Latinas: Língua(s) e História(s) (Portuguese Edition)

A tentativa de compreender como nascem as variedades de uma língua não pode ser dissociada da investigação sobre os aspectos históricos que permeiam a emergência dessas variedades. Da mesma forma, estabelecer a história de uma comunidade requer a observação de elementos que participaram de sua constituição social, cultural, política, econômica etc., entre os quais a língua ocupa um lugar de destaque. Língua e história se entrelaçam: uma não existe sem a outra. Esta coletânea aborda temas que interessam ao estudo dos contatos entre africanos e europeus na América Latina e na África, focalizando aspectos históricos e linguísticos relacionados ao papel dos africanos e suas línguas na gênese de novas variedades do português e do espanhol.
