Ready to Return: Bringing Back the Church's Lost Generation Ken Ham, Jeff Kinley, Britt Beemer

Having grown up in church, an alarming percentage of people have now traded in the timeless beliefs of Scripture for a more comfortable, postmodern faith or secular worldview. They have waded so deep into the culture that the current has swept them away with the pluralism of biblical compromise and secular indoctrination. *Ready to Return* explores:

- Why this is happening, and more importantly, what can be done about it to help bring back a godly generation
- New persuasive research that clearly reveals shocking details about views on the Church and faith by people in their 20s, known as millennials
- Conclusive evidence we cannot ignore, showing a lack of effective biblical apologetics in homes and churches, compromise with secular beliefs, secular education, and failures on the part of previous generations, contributes greatly to this dilemma.

Within these pages is more than just a clinical diagnosis of the Church's current condition and how we got here. It's a simple and powerful call to return to the Church's fundamental mission to reach the world!

If we are to bring back this lost generation, we need a proven strategy and willingness to present truth, a biblical battle plan, and spiritual soldiers.
