**What Every Bible Believer Needs to Know About Islam (Islam Exposed) (Volume 1)** J P Sloane Ph.D. THIS UNIQUE BOOK ON ISLAM IS DIFFERENT THAN OTHER BOOKS ON THE SUBJECT: Instead of straight history and just the plain facts regarding Islam, this book has been designed with the seeker of knowledge in mind! In this book we parallel the Judeo-Christian faith alongside the Koran. We begin by coming alongside the reader with the goal of helping you understand just who Muhammad was and to show what he and Jesus had in common and where they were different. We also compare the Jesus of the Bible with the Jesus of the Koran—which proves very revealing! As for addressing Islamic claims of religious compatibility made by Allah in the Koran, we examine those claims in light of the Bible—which the Koran claims that Allah also wrote. In order to further enhance the learning experience, we utilize charts and visual aids so that by the time you have finished reading this book, the average Christian will have as much knowledge about Islam as they have about their own faith. This book is an excellent resource to keep on your bookshelf as a quick reference on subjects such as, Sharia Law, Arabic terms and an exposé on what may well become the End Times religion of Chrislam.
