Dragons of Summer Flame Margaret Weis, Tracy Hickman

Summer has come to Krynn, a summer unlike any before. The sun bears down on land and sea, searing the world with relentless light and heat. Clouds and rain are nowhere to be found, and even the darkness of night brings little relief from the strange and oppressive day.

Meanwhile, those who commune regularly with their gods are uneasy. Every day, their deities become more distant, more difficult to reach. Clerics' prayers go unanswered, and magic goes awry. As the tension on Ansalon builds, estranged cousins Palin Majere and Steel Brightblade search for an explanation. It soon becomes evident that more than just magic is at stake.

The fate of all Krynn hangs in the balance.

This is a new paperback edition of **Dragonlance** cocreators Margaret Weis and Tracy Hickman's first hardcover New York Times bestseller. It is the direct prequel to the current War of Souls trilogy. This edition features a new cover design that ties into the recent rereleases
