When Vickie was coerced into signing up for the annual Freshmen Auction, he asked Clinton to place a bid for her. After Clinton won her “services” for 24 hours, Vickie was surprised to discover that the boy she grew up with had something else in mind, something she never expected.

What happens next is a journey that will take both of them to the edges of the forbidden, where familial ties are tested and conventions are broken, where the world they know unravels and a new universe of possibilities is opened, and where Vickie will realize that the boy she knew has become a man worthy of her passion.
