## **What if your fated mate was just an app swipe away?**

Andrea Bianco returns to Hope Valley after 12 years of living in New York. The sassy career girl claims she's on a break from her high-powered job, but old friends Melissa and Kristin just know she's hiding a big secret from them...

Meanwhile, sexy, sophisticated lion shifter Magnus Adams has made enough money to never have to work again. The only thing missing from his luxurious life is his mate. Luckily, someone's told him all about Shifttr - the secret dating app for curvy girls and shifter men - and he comes to Hope Valley hoping to find his match.

It's no surprise that Shifttr identifies the two extraverts as being purrfect for each other, but neither of them have dealt with their baggage, and Magnus's reckless urges soon offend Andrea's insecure nature, and the wrong type of sparks start to fly.

Magnus has a cunning plan for making it up to the curvy beauty. But will she be able to forgive him? And if they ever meet again, will Andrea's secret make her more irresistible to him, or will it be the end of them?

**This is a standalone, short, sweet, steamy read, perfect for a lunch break, bath time, or a little dose of me-time, wherever you are. HEA and no cliffhanger!**

**Note:** This book and all other books in the Hope Valley Dating App series are standalone and can be read completely independently.
