Isabel Allende

The Stories of Eva Luna Isabel Allende

Isabel Allende is one of the world's most beloved authors. In 1988, she introduced the world to Eva Luna in a novel of the same name that recounted the adventurous life of a young Latin American woman whose powers as a storyteller bring her friendship and love. Returning to this tale, Allende presents *The Stories of Eva Luna*, a treasure trove of brilliantly crafted stories.

Lying in bed with her European lover, refugee and journalist Rolf Carle, Eva answers his request for a story "you have never told anyone before" with these twenty-three samples of her vibrant artistry. Interweaving the real and the magical, she explores love, vengeance, compassion, and the strengths of women, creating a world that is at once poignantly familiar and intriguingly new.

Rendered in the sumptuously imagined, uniquely magical style of one of the world's most stunning writers, *The Stories of Eva Luna* is the cornerstone of Allende's work. It is not to be missed by anyone -- whether a devotee of Ms. Allende's oeuvre or a new acquaintance to her work.
