**The Virgin Way: If It's Not Fun, It's Not Worth Doing** Richard Branson

**This is a book on leadership from someone who has never read a book on leadership in his life.**

While building the Virgin Group over the course of forty years, Richard Branson has never shied away from tackling seemingly outlandish challenges that others (including his own colleagues on many occasions) considered sheer lunacy. He has taken on giants like British Airways and won, and monsters like Coca-Cola and lost.

Now Branson gives an inside look at his strikingly different, swashbuckling style of leadership. Learn how fun, family, passion, and the dying art of listening are key components to what his extended family of employees around the world has always dubbed (with a wink) "the Virgin Way."

This unique perspective comes from a man who dropped out of school at sixteen, suffers from dyslexia, and has never worked for anyone but himself. He may be famous for thinking outside the box—an expression he despises—but Branson asserts that "you'll never have to think outside the box if you refuse to let anyone build one around you."

#### **Mary Jacobs:**

As a university student exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says,

ways to reach Chinese's country. Therefore , this The Virgin Way: If It's Not Fun, It's Not Worth Doing can make you truly feel more interested to read.
