Practical Theology: An Introduction

Richard R. Osmer

Practical Theology: An Introduction Richard R. Osmer

Every church congregation encounters challenging situations, some the same the world over, and others specific to each church. Richard Osmer here seeks to teach congregational leaders -- including, but not limited to, clergy -- the requisite knowledge and skills to meet such situations with sensitivity and creativity. Osmer develops a framework for practical theological interpretation in congregations by focusing on four key questions: "What is going on in a given context? Why is this going on? What ought to be going on?" and "How might the leader shape the context to better embody Christian witness and mission?" The book is unique in its attention to interdisciplinary issues and the ways that theological reflection is grounded in the spirituality of leaders. Useful, accessible, and lively -- with lots of specific examples and case studies -- Osmer's "Practical Theology" effectively equips congregational leaders to guide their communities with theological integrity.

From reader reviews:

Wesley Powell:

This Practical Theology: An Introduction book is just not ordinary book, you have after that it the world is in your hands. The benefit you get by reading this book is usually information inside this e-book incredible fresh, you will get data which is getting deeper you actually read a lot of information you will get. This specific Practical Theology: An Introduction without we understand teach the one who reading through it become critical in thinking and analyzing. Don't possibly be worry Practical Theology: An Introduction can bring if you are and not make your handbag space or bookshelves' grow to be full because you can have it inside your lovely laptop even cell phone. This Practical Theology: An Introduction having great arrangement in word and also layout, so you will not sense uninterested in reading.

Glory Ruiz:

As people who live in the particular modest era should be upgrade about what going on or info even knowledge to make all of them keep up with the era which can be always change and advance. Some of you maybe can update themselves by looking at books. It is a good choice in your case but the problems coming to you is you don't know what type you should start with. This Practical Theology: An Introduction is our recommendation to make you keep up with the world. Why, since this book serves what you want and want in this era.

Kimberly Morris:

In this era which is the greater man or woman or who has ability in doing something more are more precious than other. Do you want to become one among it? It is just simple approach to have that. What you must do is just spending your time little but quite enough to possess a look at some books. One of several books in the top collection in your reading list will be Practical Theology: An Introduction. This book and that is qualified as The Hungry Mountains can get you closer in becoming precious person. By looking right up and review this book you can get many advantages.

Willis Harrington:

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some reserve, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Practical Theology: An Introduction can make you experience more interested to read.
