University of Maine (College Prowler) Justin M. Wozniski

Personally, I decided to attend UMaine at the end of seventh grade. It was the only school I would apply to, and my heart was set on going there. But in this book, you will find the opinions of many different students and an objective overview of the topics from members of the student body. There were things I loved about UMaine and things that I did not. The same applies to all students. My hope is that you will be provided with enough insight into a range of topics in order to make a decision whether or not UMaine is the right place for you to begin your adventure. So get online ahead of time, order those boots, and prepare to learn everything you need to learn about UMaine. If it's right for you, you've made a good investment. If it's not, don't lose your receipt. I wish you the best of luck on your journey into higher education. Justin M. Wozniski, Author
