**Fox on the Rhine** Douglas Niles, Michael Dobson

The Führer is dead ... but the war still goes on!

Backed by a cadre of SS officers, Himmler seizes control of the Reich and instigates a plan to change the course of the war.

First, an armistice with Russia.

Second, the mass production of jet fighters.

And third, the appointment of legendary "Desert Fox" Erwin Rommel to the European theater, leading to a very different Battle of the Bulge where he must confront "Blood n Guts" George Patton in a campaign that will determine the fate of Europe . . . and possibly the entire free world.
