FROM #1 INTERNATIONAL BESTSELLING AUTHOR SIERRA CARTWRIGHT

Book four in the Mastered series

Things couldn't get worse. It was bad enough that Maggie had to spend the days with her boss and nemesis. Now to find out he's a Dom at her favourite place to play?

Maggie Carpenter needs an escape from her everyday life and her overbearing boss. David Tomlinson has ruined her life and career by acquiring her family's business and tying her to an untenable employment contract.

So she and her friend head for an evening at the Den to explore their wildest fantasies...only to find David there looking ridiculously sexy with a bare chest and a set of handcuffs attached to his belt loop.

David is just as shocked to find his spitfire employee at the Den. He leans against the wall, watching, unable to wrap his mind around the idea that the woman who constantly challenges him might be a sub. But when another Dom approaches her and she casts her gaze down, he sees another side of her.

His reaction to the submissive Maggie is immediate and sizzling hot and so is the unwelcome jealousy he experiences. He's always had a strict no-fraternisation rule, but he's determined to have her in his cuffs before the evening is out, despite the dozens of reasons he shouldn't. He wants Maggie surrendered to him, in his cuffs, literally as well as figuratively.

About Sierra Cartwright

Sierra Cartwright was born in Manchester, England and raised in Colorado. Moving to the United States was nothing like her young imagination had concocted. She expected to see cowboys everywhere, and a covered wagon or two would have been really nice!

Now she writes novels as untamed as the Rockies, while spending a fair amount of time in Texas where, it turns out, the Texas Rangers law officers don't ride horses to roundup the bad guys, or have six-shooters strapped to their sexy thighs as she expected. And she's yet to see a poster that says Wanted: Dead or Alive. (Can you tell she has a vivid imagination?)

Sierra wrote her first book at age nine, a fanfic episode of Star Trek when she was fifteen, and she completed her first romance novel at nineteen. She actually kissed William Shatner (Captain Kirk) on the cheek once, and she says that's her biggest claim to fame. Her adventure through the turmoil of trust has taught her that love is the greatest gift. Like her image of the Old West, her writing is untamed, and nothing is off-limits.

She invites you to take a walk on the wild side but only if you dare.
