Lawrence Venuti

The Translator's Invisibility: A History of Translation (Translation Studies) Lawrence Venuti

The Translator's Invisibility traces the history of translation from the seventeenth century to the present day. It shows how fluency prevailed over other translation strategies to shape the canon of foreign literatures in English, and investigates the cultural consequences of the domestic values which were simultaneously inscribed and masked in foreign texts during this period. Venuti locates alternative translation theories and practices in British, American and European cultures which aim to communicate linguistic and cultural differences instead of removing them.

The first edition, now ten years old, is still widely cited by academics in many disciplines and has had a huge influence on the whole field of Translation Studies. A new edition offers Venuti the chance to keep this influence alive, updating and advancing his argument and answering his (few) critics.

From reader reviews:

James Chapman:

Often the book *The Translator's Invisibility: A History of Translation (Translation Studies)* will bring you to the new experience of reading some sort of book. The author style to clarify the idea is very unique. If you try to find new book to see, this book very suitable to you. The book *The Translator's Invisibility: A History of Translation (Translation Studies)* is much recommended to you to study. You can also get the e-book from the official web site, so you can quickly to read the book.

Michael Johnson:

The reason why? Because this *The Translator's Invisibility: A History of Translation (Translation Studies)* is an unordinary book that the inside of the guide waiting for you to snap that but latter it will zap you with the secret the item inside. Reading this book beside it was fantastic author who else write the book in such awesome way makes the content inside easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This unique book will give you a lot of advantages than the other book get such as help improving your proficiency and your critical thinking means. So , still want to hold up having that book? If I ended up you I will go to the book store hurriedly.

Edda Allen:

You may spend your free time to learn this book this reserve. This *The Translator's Invisibility: A History of Translation (Translation Studies)* is simple to develop you can read it in the park your car, in the beach, train in addition to soon. If you did not have much space to bring the printed book, you can buy the particular e-book. It is make you quicker to read it. You can save the particular book in your smart phone. And so there are a lot of benefits that you will get when one buys this book.

Joy Carlson:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this *The Translator's Invisibility: A History of Translation (Translation Studies)* can make you experience more interested to read.
