Plum Island

Nelson DeMille

Plum Island Nelson DeMille

Taking the best elements from two of his most outstanding bestsellers, *The Gold Coast* and *The General's Daughter*, Nelson DeMille combines the breathless suspense of an expertly wrought murder mystery with his wry perspective on a peculiarly American social scene to deliver an enthralling and compelling story. Wounded in the line of duty, NYPD homicide detective John Corey convalesces in the Long Island township of Southold, home to farmers, fishermen -- and at least one killer. Tom and Judy Gordon, a young, attractive couple Corey knows, have been found on their patio, each with a bullet in the head. The local police chief, Sylvester Maxwell, wants Corey's big-city expertise, but Maxwell gets more than he bargained for. The early signs point to a burglary gone wrong. But because the Gordons were biologists at Plum Island, the offshore animal disease research site rumored to be involved in germ warfare, it isn't long before the media is suggesting that the Gordons stole something very deadly. Suddenly a local double murder becomes a crime with national and worldwide implications. John Corey doesn't like mysteries, which is why he likes to solve them. His investigations lead him into the lore, legends, and ancient secrets of northern Long Island -- more deadly and more dangerous than he could ever have imagined. During his journey of discovery, he meets two remarkable women, Detective Beth Penrose and Mayflower descendant Emma Whitestone, both of whom change his life irrevocably. Ultimately, through his understanding of the murders, John Corey comes to understand himself. Fast-paced and atmospheric, marked by entrancing characters, incandescent storytelling, and brilliant comic touches, *Plum Island* is Nelson DeMille at his thrill-inducing best.
