Risk It All (Dance with the Devil) Megan Derr

Kipling doesn't regret murdering his Alpha. Anything is better than continuing to live as a roughskin, subjected to brutal pit fights and abuse day after day. But constantly running for his life, always looking over his shoulder, and having nowhere to call home isn't much better.

When he finds an abandoned cabin in the mountains, it seems the ideal place to hide until his pack gives up the search. All he needs is supplies, and a quick trip into town should take care of that. Instead of supplies, however, he encounters Tori, who seems like everything Kipling has ever wanted—and far too good to be true.

And if Tori's not a trap then he, and his beautiful dragons, are just one more obstacle to be taken down by Kipling's pack.
