Stories are one of the oldest ways we have of passing on knowledge. They are literature at its purest and can be cheerful, funny, tragic or dramatic.

Stories for Parents, Children and Grandchildren is an anthology divided into two independent volumes, which can be shared from generation to generation, encouraging us to reflect on each and every stage of our lives.

So, let us go for a stroll through the traditions and legends of the world, drawn in by the power of the four magic words we heard as children and have never forgotten:

This e-book includes illustrations by Christina Oiticica, as well as a glossary of some of the people and subjects referred to.
