Examples include Cinderella looking for Mr. Right and Abel harboring dark suspicions about his brother, Cain. Knowing these stories makes these readings easy to follow and understand. This book also provides card meanings and valuable "how to" tips for doing Tarot readings, all of which take you through easy-to-follow instructions which show you how to put it all together for an insightful Tarot reading. Whether you're a novice just learning how to read Tarot cards or an experienced reader looking to enhance your understanding of the process, this book will teach you, enlighten you, and (what makes it truly unique!) entertain you along the way. "Tarot Reading Explained is a unique contribution to the tarot field and one of the finest ways to learn to read the cards. It is also extremely well-written—a joy to read. If you use this book, you can't help but become a better tarot reader." – Mary K. Greer, author of "Who Are You in the Tarot?" "James Ricklef's legendary KnightHawk readings are not just a delightful look at some of our favorite literary and historical characters through the prism of Tarot; they also show us how readings can really work. This is a Tarot book—a course in Tarot, actually—like no other." – Rachel Pollack, author of "Rachel Pollack's Tarot Wisdom"
