**A Widow for One Year** John Irving

In **A Widow for One Year**, we follow Ruth Cole through three of the most pivotal times in her life: from her girlhood on Long Island (in the summer of 1958) through the fall of 1990 (when she is an unmarried woman whose personal life is not nearly as successful as her literary career), and at last in the autumn of 1995, when Ruth is a forty-one-year-old widow and mother (and she's about to fall in love for the first time). Both elegiac and erotic, **A Widow for One Year** is a multilayered love story of astonishing emotional force.
