The world is full of brilliant people whose ideas are never heard. This book is designed to make sure that you're not one of them.

Even for the most self-confident among us, public speaking can be a nerve-racking ordeal. Whether you are speaking to a large audience, within a group, or in a one-on-one conversation, the way in which you communicate ideas, as much as the ideas themselves, can determine success or failure.

In this invaluable guide from two of today's most sought-after communication experts, you'll learn to master three core principles that you can apply in a wide variety of situations:

Content: Construct a clear and lucid architecture of ideas that will lead your listener through a memorable emotional experience.

Delivery: Use your voice and body in ways that engage your audience and naturally support your message.

State: Bring yourself into peak performance condition. The way you feel when you perform is the most frequently overlooked component of communication.

Accessible, inspiring, and laden with useful tips, *As We Speak* will help you discover your authentic voice and learn to convey your ideas in the most powerful and unforgettable way possible.
