Right from the start, he knows there's something extraordinary about Ripley Todd. It's not just her blazing green eyes and her sultry smile. There's something else. Something he can detect, but she'll never admit. Fascinated by her struggle with her amazing abilities, he becomes determined to help her accept who she is—and find the courage to open her heart.

But before Ripley and Mac can dream of what lies in the future, they must confront the pain of the past. For Three Sisters shelters centuries of secrets—and a legacy of danger that plagues them still...
