Invitation to Psychology (4th Edition) (MyPsychLab Series) Carole Wade, Carol Tavris

Through lively writing and stimulating examples, authors Wade and Tavris invite readers to actively explore the field of psychology and the fundamentals of critical and scientific thinking. *Invitation to Psychology* presents the science of psychology according to six areas of the learner's experience: Your Self, Your Body, Your Mind, Your Environment, Your Mental Health and Your Life. This unique organization engages readers from the very beginning and gives them a framework for thinking about human behavior. Incorporating many active learning and critical thinking features, a balance of classic and contemporary research, and thorough integration of the psychology of women and men of all cultures—readers will learn much to take with them. For individuals seeking an introduction to psychology.
