Lone Ranger and Tonto Fistfight in Heaven Sherman Alexie

Ball games, cars, and romances: the icons and battlefields of modern life. In twenty-two linked stories, with infinite humour and pathos, Sherman Alexie explores some of the major issues of our time: the pull between the urban and the rural, the future and the past; the trials and tribulations of young adulthood; the complex density of daily life. A modern mythmaker with a sharp eye for irony, Sherman Alexie's focus is an American Indian reservation, but his playground is the world. (19971029)
