Excellence in Coaching: The Industry Guide

Presenting cutting-edge thinking in the field of workplace coaching, this updated third edition of *Excellence in Coaching* enables coaches to achieve excellence in a rapidly evolving profession. All of the chapters have been brought up to date with current content.

Part one introduces the business of coaching, with topics covering how to set up a coaching practice, coaching within organizations, and coaching requirements. Chapters five through twelve in part two, review coaching models and approaches, including NLP, behavioral, solution-focused, transpersonal, appreciative, and integrative. There is also a brand new chapter on team coaching. The final section considers issues surrounding coaching: ethics, supervision, evaluating coaching programs, accreditation, intercultural coaching, and stress.
