Mrs. Stevens Hears the Mermaids Singing

May Sarton

Mrs. Stevens Hears the Mermaids Singing May Sarton

“The plot of this short novel is deceptively simple, the mood subtle, the feeling intense. And the music of Miss Sarton’s prose leaves compelling echoes in one’s mind.” —*New York Times Book Review*

May Sarton's ninth novel explores a woman's struggle to reconcile the claims of life and art, to transmute passion and pain into poetry. As it opens, Hilary Stevens, a renowned poet in her seventies, is talking with Mar, an intense young man who has sought her out and whose passionate despair reminds her of herself when young. Mar has had an unhappy love affair with a man. Bewildered by both his sexuality and his writing talent, he flings his anguish against Hilary’s brusque, sympathetic intelligence.
