#### **Debra Palacios:**

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The civil engineer's pocket-book, can make you feel more interested to read.
