The Long Roll Mary Johnston

This classic Civil War novel portrays the rise and fall of Stonewall Jackson and the bravery of the men who fought and died alongside him

When the American South secedes from the Union, Richard Cleave of Virginia answers the call to arms. The Confederate Army's victory at Bull Run in the first months of the war bolsters the enthusiasm of the eager young men, Cleave among them, who march proudly behind their able leader, Brigadier General Thomas "Stonewall" Jackson. Shortly thereafter, the Valley Campaign of 1862 showcases Jackson's ingenious strategies and bold cavalry maneuvers, offering hope of an early Confederate victory. But for artilleryman Cleave, the high cost of war is rapidly becoming apparent in the staggering loss of life and limb, as Stonewall and his army march toward a fateful reckoning at Chancellorsville.

The daughter of a Confederate veteran and cousin to Confederate General Joseph E. Johnston, Mary Johnston was one of the most popular authors of the early twentieth century. In *The Long Roll*, she brings America's bloodiest conflict to life with electrifying battlefield scenes and vivid historical detail, inspiring a grand tradition of Civil War literature that includes *Gone with the Wind* and *The Killer Angels*.
