The Wilderness War (Book IV: Narratives of America) Allan W. Eckert

From Niagara Falls to Lake Champlain, the warriors of the mighty Iroquois ruled supreme. Not even the savagery of the French and Indian wars could cool their fury or halt their power. But by 1770 the restless white men were warring once again. Thayendanegea, the valiant Iroquois war chief, allied his fierce tribes with the one white man the Indians loved and trusted, Sir William Johnson. Once more the frontier would erupt, pitting the Indians' unvanquished spirit against the white settlers' relentless challenge. Allan W. Eckert's Narratives of America are true sagas of the brave men and courageous women who won our land. Every character and event in this sweeping series is drawn from actual history and woven into the vast and powerful epic that was America's westward expansion. Allan W. Eckert has made America's heritage an authentic, exciting, and powerful reading experience.
