Generalist Social Work Practice: A Strengths-Based Problem Solving Approach (5th Edition)

Elizabeth M. Timberlake, Michaela Zajicek Farber, Christine A. Sabatino

This well-known and widely used text is intended to provide entry-level professional social workers with a foundation of knowledge and values needed to practice from a generalist perspective---focusing on culturally competent, ethical, effective, and accountable generalist social work practice skills.

This thoroughly revised edition explores the strengths-based problem-solving approach in all phases of the General Method; moving away from a deficit perspective towards an asset/resource perspective.
